Website Accessibility Statement

At Essence Catering Perth, we are committed to making our website accessible and easy to use for all visitors, including those with disabilities.

We strive to follow best practices and web accessibility standards, including the Web Content Accessibility Guidelines (WCAG) 2.1, to ensure our content is perceivable, operable, understandable, and robust.

Our website aims to:

- Be navigable using a keyboard
- Support screen readers and other assistive technologies
- Use high-contrast text and clear fonts
- Avoid the use of flashing content or time-limited actions
- Provide alternative text for images and meaningful link descriptions

Ongoing Improvements

We regularly review our website and welcome feedback to help us identify and fix any accessibility issues that may arise.

If you experience any difficulties accessing content or using features on our site, please contact us at essencecateringperth@gmail.com

We will do our best to assist you and provide the information or service you need in an accessible way.

Your experience matters to us, and we're committed to creating an inclusive online environment for everyone.
